

Message sent by General Mohamad Hajj via email on 29th October 2009, after visiting the website:

I am proud to have taught Khalil Kanaan in the Military School. He was one of my best students. He had many qualities that I can recall:

- Sincerity
- Respect
- Loyalty
- Strong believe in the Lebanese Army and in Lebanon

His assassination was a real loss for the nation.

I send all my condolences to his wife, his sister Mona, his brother-in-law General Jean Nassif, and all the Kanaan family.

General Mohamad Hajj
